Operability and commitment

Proficient in MS Office, PowerPoint  
& Excel

Proficient in Canva, Adobe  
Illustrator & Graphics designing  
Good at multitasking

Results and goal oriented

## Language

English (Proficient)

Bangla (Native Speaker)

## Experience

### MLIS Nutrition Club

#### Vice President

Sept 2023-present

- **Strategically planned outreach and marketing initiatives** to spark student interest in Nutrition Club
- Planned an event to get the club a head start right after being elected into the EC body. **Campaigned successfully in around 30 classes and reached out to 500+ students for the club's event Nutri Fest 2.0.**
- **Revived the Facebook page and social handles.** Assumed the role of graphics work to deliver posts quickly (Works include: designing a Teacher's Day post, Special Guest intro post and designed Certificates for the club's event; also wrote attractive post captions)
- Handled the club's Facebook page, and responded to students' questions also outreached to other nutrition pages.
- **Maintained accurate documentation** including writing letters to the Principal.
- **Successfully networked and reached out** to an influencer and persuaded him to be a special guest for the club's event. Partly to get more participation and make the event more fun and engaging.
- **Coordinated the Nutrition Club's first highly successful event:** Nutri-Fest 2.0 with an approximate audience of 200 students.

### Proborton Foundation

#### Teaching Intern and Volunteer

July 2021-March 2022

- **Coordinated weekly classes** for 25 unprivileged children along with other mentors. Combination of online and offline classes were conducted on Primary Level Mathematics. Assisted the children in their work.
- **Volunteered actively in the organization's various campaigns** e.g. winter clothes campaign, sanitation, and medications for the unprivileged etc.
- **Successfully highlighted the need for community service** through the example of the organization. Worked on a project video that aimed to break down the stigmas surrounding unprivileged children's lifestyle and the need for community service. The project video was for the **IOWA State University I-Fit Challenge 2021**, a Global Changemakers Program. Shared the video on social media to grow awareness

### English Medium School Students of Bangladesh (EMSB)

#### Campus Ambassador

July 2019-Jan 2020

- **Promoted the organization and its works** actively through social media
- **Successfully increased the reach of the organization by approx. 100 people**, primarily by sharing about the organization's work through various social media platforms.
- **Acquired knowledge and soft skills** in marketing schemes and strategies to increase reach
- **Attended offline and online meetings** and workshops to discuss plans and strategies about the organization's missions.

## Experience

---

### ■ Mindmax Institution

#### Teaching Assistant

July 2023-present

- **Works include** copy checking, helping juniors in their coursework, record keeping, and documentation of works.

### ■ Freelance Graphics Designer

March 2023-present

- **Produced social media posts** for the school's Nutrition Club Facebook page. Designed posts like the Teacher's Day post, Special Guest Introduction post, and wrote attractive captions for the posts to increase the Page's reach.
- **Also designed video thumbnail** for a peer's song cover and other projects.
- **Mastered many graphics designing skills in softwares like Canva and Adobe Illustrator** including: use of color gradients, modifying elements , adding headers and attractive borders with animation details etc.

### • MLIS Robotics Club

#### Teaching Assistant

Feb 2024- present

- **Python Teaching Assistant:** helping in conducting in person classes for 100 students
- **Handling Social Media including Discord Server**, answering coding queries
